QUESTION 13

Introducing Basics of Business

Note:

All the questions are compulsory.

This assignment is for a total of 20 marks.

First 12 questions carry 1 mark each

Question 13 carries 8 marks.

Of the four vendors identified by the purchase department, the internal department started rating for a vendor named "Turn AB", based on 4 CSF/KSFs- Pricing, Brand Image, Service Quality and Market reputation. Given that ABC software technologies were relatively new, they were highly price sensitive. They allocated the next higher weightage to service quality. Allocate the weights as per this information. The weights decided were- 10%, 30%, 10% and 50%. They then gave a score of (1-5) where 1 was least and 5 was highest. The highest weightage was allocated a score of 5, the next highest a score of 4 and the remaining 2 KSFs were given a score of 1 each. What was the final rating of "Turn AB"?

Answer is Correct

Score: 8 / 8

Options

☐ A. 3.8

☒ B. 3.9

Correct

☐ C. 3.7

☐ D. 3.6
